OPEN HOUSE DISCUSSION re 2019 6th AVE SE STREET IMPROVEMENTS, STSTE147974: The meeting began with Mayor Jeff Blenkush reading the following: The purpose of this meeting is allow the public to view, comment and ask questions of the City Engineer regarding the ongoing design of the 6th Ave SE road project. No formal action will be taken by the Council. The purpose is to allow the citizens a chance to informally discuss with the City Engineer various aspects of the project to include design, timing and construction.

City Engineer Randy Sabart explained that the evening would mirror the Special Meeting that took place in April. The engineers would meet with residents at the table where the updated drawing of 6th Ave SE from CSAH 5 to the City limits (15th St SE) was set up for review. The updates came from the comments made in April. Randy introduced the SEH, Inc staff in attendance: himself, Scott Hedlund and Casey Zins, designer.

City Attorney Chris Nelson was also present for questions/concerns.

Residents met with SEH, Inc staff, City Attorney Nelson and reviewed the design.

Before closing the meeting, Jerome Supan asked about 6 to 1 vs 4 to 1 driveway slopes. The Council asked Engineer Randy Sabart to get a cost estimate comparison on this.
