---

The repeal of prior ordinances and adoption of this code are not to be construed to effect in any manner rights and liabilities existing at the time of repeal and the enactment of this code. Insofar as provisions of this code are substantially the same as preexisting ordinances, they shall be considered as continuations thereof and not as new enactments. Any act done, offense committed, or right accruing, or liability, penalty, forfeiture or punishment incurred or assessed prior to the effective date of this code is not affected by the enactment of the code.

Until Appendix A (the fee schedule) is adopted, existing fees continue until they are amended.
